# FORM OF ORDER FOR POLE LOCATIONS.

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford, MASSACHUSETTS:

ORDERED:

Notice having been given and a public hearing held as provided by law, that The New England Telephone and Telegraph Company of Massachusetts be and it is hereby granted a location for and permission to erect and maintain poles and wires to be placed thereon, together with such sustaining or protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, as requested in petition of said company dated the 18th day of June, 1915

All construction under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonably straight, and shall be set substantially at the points indicated upon the plan marked #43-Chelms. Proposed pole location of N.E.T. and T. Co. Dated 6/18/15

to be filed with this order. There may be attached to said poles not to exceed 12 open and 6 paired wires and all of said wires shall be placed at a height of not less than 18 feet from the ground.

15/

The following are the public ways or parts of ways along which the poles above referred to may be erected, and the number of poles which may be erected thereon under this grant:

1 pole on Lowell-Westford Road near residence of Thomas Roark

# FORM OF ORDER FOR WIRE ATTACHMENTS

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford, MASSACHUSETTS:

ORDERED:

That The Lowell Electric Light Corporation be and it is hereby granted permission to erect and maintain wires and fixtures, together with such sustaining or protecting fixtures as it may deem necessary, upon poles of the Lowell & Fitchburg Street Railway Company heretofore located in the public way or ways hereinafter referred to and shown upon plan marked "L & F C 984" to be filed with this order, as requested in petition of said The Lowell Electric Light Corporation and the said Lowell & Fitchburg Street Railway Company dated the 18th day of November, 1915.

There may be attached to said poles by said The Lowell Electric Light Corporation not to exceed four single wire attachments and all of said wires shall be placed at a height of not less than 21 feet from the ground.

The following are the ways or parts of ways along which the poles above referred to have been erected, and the number of poles to which attachments may be made under this grant.

Main St., West Chelmsford, two single wire attachments to each of poles #772 and 773.

*Town of* Chelmsford *Massachusetts.*

**IN BOARD OF SELECTMEN,**

April 15th, *1916.*

ORDERED: Notice having been given and a public hearing held as provided by law, that The Lowell Electric Light Corporation be and is hereby granted locations for and permission to erect and maintain poles, with the necessary wires and fixtures thereon, in certain public ways in said town as requested in its Petition dated April 15th, 1916, viz.:
two (2) poles and ten (10) wires upon and along Woodbine Street between Juniper Street and Wildwood Street; also one (1) poles and ten (10) wires upon and along Juniper St. near Woodbine St. ~~between~~ ~~and~~ ; ~~also~~ ~~poles and~~ ~~wires upon and~~

37

said poles to be of chestnut, or some other suitable material, and located as shown on a map or plan marked "Pole Location C 302" on file with said Petition; the wires on said poles to run not less than 21 feet from the ground at any point.

Said poles and wires shall be erected and maintained subject to the following further specifications, viz:

37 A.1

CERTIFICATE.

We hereby certify that the foregoing Order was adopted after due notice and a public hearing, as prescribed by chapter 509 of the Acts of 1911; to wit, after written notice of the time and place of the hearing, mailed at least seven days prior to the date of the hearing, by the selectmen to all owners of real estate abutting upon that part of the way or ways upon, along, across or under which the line is to be constructed under said Order, as determined by the last preceding assessment for taxation, and a public hearing held on the 10 day of June 1916, at 10 o'clock a m in said town.

Signatures of Selectmen:

A. Heady Peirce
Frank M Perham
Frank Snow

CERTIFICATE.

I hereby certify that the foregoing is a true copy of the Order of the Board of Selectmen of the town of Chelmsford duly adopted on the 10th day of June 1916, and of the Certificate of notice and hearing thereon required by chapter 509 of the Acts of 1911, as the same appear of record.

I hereby certify that the foregoing is a true copy of a location order and certificate of hearing with notice, adopted by the Board of Selectmen of the Town of Chelmsford, Massachusetts, on the 12th. day of Aug. 1916, and recorded with the records of location orders of said Town, Book 2, Page 47 This certified copy is made under the provisions of Chapter 509, of the Acts of 1911, and any additions thereto or amendments thereof.

ATTEST:

Edward J. Robbins

Town Clerk.

*Town of* Chelmsford, *Massachusetts.*

IN BOARD OF SELECTMEN,

July 18, 1916.

ORDERED: Notice having been given and a public hearing held as provided by law, that The Lowell Electric Light Corporation be and is hereby granted locations for and permission to erect and maintain poles, with the necessary wires and fixtures thereon, in certain public ways in said town as requested in its Petition dated July 18, 1916, viz.:
one (1) poles and ten (10) wires upon and along Sherman Street between Washington Street and Mansur Street; also poles and wires upon and between and ; also poles and wires upon and

48

said poles to be of chestnut, or some other suitable material, and located as shown on a map or plan marked "Pole Location C-321" on file with said Petition; the wires on said poles to run not less than feet from the ground at any point.

Said poles and wires shall be erected and maintained subject to the following further specifications, viz:

CERTIFICATE.

We hereby certify that the foregoing Order was adopted after due notice and a public hearing, as prescribed by chapter 509 of the Acts of 1911; to wit, after written notice of the time and place of the hearing, mailed at least seven days prior to the date of the hearing, by the selectmen to all owners of real estate abutting upon that part of the way or ways upon, along, across or under which the line is to be constructed under said Order, as determined by the last preceding assessment for taxation, and a public hearing held on the 28 day of Sept. 1916, at 11 A M Town Hall in said town.

# FORM OF ORDER FOR POLE LOCATIONS.

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford, MASSACHUSETTS:

ORDERED:

Notice having been given and a public hearing held as provided by law, that The New England Telephone and Telegraph Company of Massachusetts be and it is hereby granted a location for and permission to erect and maintain poles and wires to be placed thereon, together with such sustaining or protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, as requested in petition of said company dated the 11th day of April, 1916

All construction under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonably straight, and shall be set substantially at the points indicated upon the plan marked #50-Chelms. Proposed pole locations of N. E. T. and T. Co. Dated 4/11/16

to be filed with this order. There may be attached to said poles not to exceed 12 open or 6 paired wires and all of said wires shall be placed at a height of not less than 18 feet from the ground.

49

The following are the public ways or parts of ways along which the poles above referred to may be erected, and the number of poles which may be erected thereon under this grant:

Grosvenor Street between Princeton Street and Lowell-Chelmsford Line, 6 poles

Mass. Form 7 1m 11794

I hereby certify that the foregoing order was adopted at a meeting of the Board of Selectmen of the Town of Chelmsford, Massachusetts, held on the 28 day of Sept, 1916.

# FORM OF ORDER FOR POLE LOCATIONS.

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford, MASSACHUSETTS:

ORDERED:

Notice having been given and a public hearing held as provided by law, that The New England Telephone and Telegraph Company of Massachusetts be and it is hereby granted a location for and permission to erect and maintain poles and wires to be placed thereon, together with such sustaining or protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, as requested in petition of said company dated the 13th day of Dec., 1916

All construction under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonably straight, and shall be set substantially at the points indicated upon the plan marked #57-Ch. Proposed pole locations of N. E. T. and T. Co. Dated 12/13/16 to be filed with this order. There may be attached to said poles not to exceed 12 open or 6 paired wires and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the public ways or parts of ways along which the poles above referred to may be erected, and the number of poles which may be erected thereon under this grant:

Polly Avenue near John Street, 2 poles

# FORM OF ORDER FOR WIRE ATTACHMENTS

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford, MASSACHUSETTS:

ORDERED:

That The Lowell Electric Light Corporation be and it is hereby granted permission to erect and maintain wires and fixtures, together with such sustaining or protecting fixtures as it may deem necessary, upon poles of the New England Telephone & Telegraph Company heretofore located in the public way or ways hereinafter referred to and shown upon plan marked "TEL C 1428" to be filed with this order, as requested in petition of said The Lowell Electric Light Corporation and the said New England Telephone & Telegraph Company dated the 23rd day of March, 1917.

There may be attached to said poles by said The Lowell Electric Light Corporation not to exceed two single wire attachments to reverse arm and all of said wires shall be placed at a height of not less than 21 feet from the ground.

The following are the ways or parts of ways along which the poles above referred to have been erected, and the number of poles to which attachments may be made under this grant.

Gorham St., East Chelmsford, pole 9A/288.

# FORM OF ORDER FOR POLE LOCATIONS.

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford, MASSACHUSETTS:

ORDERED:

Notice having been given and a public hearing held as provided by law, that The New England Telephone and Telegraph Company of Massachusetts be and it is hereby granted a location for and permission to erect and maintain poles and wires to be placed thereon, together with such sustaining or protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, as requested in petition of said company dated the 15th day of Jan., 1917

All construction under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonably straight, and shall be set substantially at the points indicated upon the plan marked #59-Chelms. Proposed pole locations of N.E.T. and T. Co. Dated 1/12/17

81

to be filed with this order. There may be attached to said poles not to exceed 12 open or 6 paired wires and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the public ways or parts of ways along which the poles above referred to may be erected, and the number of poles which may be erected thereon under this grant:

Groton Road and West Chelmsford Road from a point approximately 700 ft. west of Newfield St. to near A.P.Miner's residence

Depot and Main Streets from B & M R R Crossing to West Chelmsford Town Line

We hereby certify that on June 29, 1917, at 7.30 o'clock P. M., at Selectmen's Office, a public hearing was held on the petition of The New England Telephone and Telegraph Company of Massachusetts for permission to erect the poles, wires and fixtures described in the order herewith recorded, and that we mailed at least seven days before said hearing a written notice of the time and place of said hearing to each of the owners of real estate (as determined by the last preceding assessment for taxation) along the ways or parts of ways upon which the company is permitted to erect poles, wires and fixtures under said order. And that thereupon said order was duly adopted.

PETITION of THE LOWELL ELECTRIC LIGHT CORPORATION and THE BAY STATE STREET RAILWAY COMPANY for Joint or Identical Locations for Poles, already existing.

TO THE BOARD OF SELECTMEN OF THE TOWN OF CHELMSFORD, MASSACHUSETTS:

Respectfully represent The Lowell Electric Light Corporation and The Bay State Street Railway Company that The Bay State Street Railway Company has heretofore received a grant of locations for and has erected in said locations a line of poles, with wires and fixtures thereto attached, along and across the public way or ways hereinafter named, and that it is desirable that said line of poles be used for the attachment of the wires and fixtures of both your petitioners.

Wherefore your petitioners pray that after due notice and hearing as provided by law, joint or identical locations for said existing line of poles may be granted to your petitioners, with the right to maintain wires and fixtures thereon, together with such sustaining or protecting fixtures as the business of each of your petitioners may require, said poles to be maintained substantially in accordance with the plan filed herewith marked "Joint Pole Location C 318".

Your petitioners agree to reserve space for one cross-arm at a suitable point upon each of said poles for the telephone, fire and police signal wires owned by the town and used for municipal purposes.

The following are the streets and highways above referred to:

Middlesex St., North Chelmsford, between Princeton St. and Groton Road, five (5) poles, numbered B&GR #D 232, 230, 5123, 228 and 226.

# FORM OF ORDER FOR WIRE ATTACHMENTS

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford, MASSACHUSETTS:

ORDERED:

That The Lowell Electric Light Corporation be and it is hereby granted permission to erect and maintain wires and fixtures, together with such sustaining or protecting fixtures as it may deem necessary, upon poles of the New England Telephone & Telegraph Company heretofore located in the public way or ways hereinafter referred to and shown upon plan marked "TEL C 1555" to be filed with this order, as requested in petition of said The Lowell Electric Light Corporation and the said New England Telephone & Telegraph Company dated the 24th day of July, 1917.

There may be attached to said poles by said The Lowell Electric Light Corporation not to exceed ten single wire attachments and all of said wires shall be placed at a height of not less than 21 feet from the ground.

The following are the ways or parts of ways along which the poles above referred to have been erected, and the number of poles to which attachments may be made under this grant.

Main St., West Chelmsford, near Trull residence, un-numbered pole.

FORM OF ORDER FOR JOINT POLE LOCATIONS.

IN BOARD OF SELECTMEN FOR THE TOWN OF CHELMSFORD, MASSACHUSETTS:-

ORDERED:

Notice having been given and a public hearing held as provided by law, that The Lowell Electric Light Corporation and The Bay State Street Railway Company be and they are hereby granted a joint or identical location for, and permission to erect and maintain a joint line of poles, and their respective wires and fixtures to be placed thereon, together with such sustaining or protecting fixtures as the business of either of said companies may require, in the public way or ways hereinafter referred to, as requested in petition of said companies dated the ..... day of .....191.....

All construction work under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonably straight, and shall be set substantially at the points indicated upon the plan marked "Joint Pole Location C 318", to be filed with this order. There may be attached to said poles by said Lowell Electric Light Corporation not to exceed ten (10) single wire attachments, and all of said wires shall be placed at a height of not less than twenty (20) feet from the ground.

The following are the public ways or parts of ways along which the poles above referred to may be erected, and the number of poles which may be erected under this grant:

Middlesex St., North Chelmsford, between Princeton St. and Groton Road, five (5) poles, numbered BSSR #D 232, 230, 5123 and 228 and 226.

# FORM OF ORDER FOR WIRE ATTACHMENTS

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford, MASSACHUSETTS:

ORDERED:

That The Lowell Electric Light Corporation be and it is hereby granted permission to erect and maintain wires and fixtures, together with such sustaining or protecting fixtures as it may deem necessary, upon poles of the Lowell Electric Light Corporation ~~Company~~ heretofore located in the public way or ways hereinafter referred to and shown upon plan marked "LEL C 1632" to be filed with this order, as requested in petition of said The Lowell Electric Light Corporation and the said Lowell Electric Light Corporation ~~Company~~ dated the 6th day of November, 1917.

There may be attached to said poles by said The Lowell Electric Light Corporation not to exceed forty single wire attachments and all of said wires shall be placed at a height of not less than 21 feet from the ground.

The following are the ways or parts of ways along which the poles above referred to have been erected and the number of poles to which attachments may be made under this grant.

Newfield St., between Adams St. & Groton Rd., poles J-11, J-12 and un-numbered L.E.L. pole; Adams St., near Newfield St., un-numbered L.E.L. pole.

108

I hereby certify that the foregoing order was adopted at a ~~meeting~~ of the Board of Selectmen of the Town of Chelmsford, Massachusetts, held on the 7th day of Nov, 1917.

# FORM OF ORDER FOR WIRE ATTACHMENTS

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford, MASSACHUSETTS:

ORDERED:

That The Lowell Electric Light Corporation be and it is hereby granted permission to erect and maintain wires and fixtures, together with such sustaining or protecting fixtures as it may deem necessary, upon poles of the New England Telephone & Telegraph Company heretofore located in the public way or ways hereinafter referred to and shown upon plan marked "TEL C 1635" to be filed with this order, as requested in petition of said The Lowell Electric Light Corporation and the said New England Telephone & Telegraph Company dated the 8th day of November, 1917

There may be attached to said poles by said The Lowell Electric Light Corporation not to exceed twenty single wire attachments and all of said wires shall be placed at a height of not less than 21 feet from the ground.

The following are the ways or parts of ways along which the poles above referred to have been erected and the number of poles to which attachments may be made under this grant.

Tyngsboro Road, No. Chelmsford, poles #1191 and un-numbered pole.
